ASSISTANCE PROGRAMS**Florida Donated Dental Services****850-577-1466****Dental Lifeline Network****1113 East Tennessee Street, Suite 300**dentallifeline.org/florida

Provides donated, non-emergency care for individuals age 65 and older or those meeting disability requirements who are unable to pay for their dental care. Implants are not covered except the limited number for dentures. Applications for this coverage may be obtained from the resource coordinator at the Tallahassee Senior Center or by clicking [here](#). Individuals are placed on a waiting list after submitting their applications.

We Care Dental Network**850-942-7963****1204 Miccosukee Rd**capmed.org/we-care

A referral from a dentist or primary care physician is required in order to be considered for services under this program. Low-income adults in need of help with infections, root canals, extractions, crowns and dentures may be eligible for this program if their income is at or below 150% of the federal poverty level and they have no dental insurance/coverage.

DENTISTS ACCEPTING MEDICAID

Patients eligible for Medicaid can call their managed care plan's number on the plan's identification card or the choice counselor at 1-877-711-3662 to determine which services are covered and which dentists in Leon County are accepting Medicaid.
