COMPUTER CLASSES

Tallahassee Senior Center

talgov.com/seniors

850-891-4008

The Senior Center provides a wide variety of programs. These programs require registration, have reasonable fees and include:

- **Basics and Beyond** – Focus on mouse and keyboarding tips/shortcuts, improving typing and editing skills, cut and paste, introduction to word processing, accessing programs and navigation (required for all other classes);
- **Word** – How to save and find a word processing file, formatting a document, copy and pasting text;
- **Excel** – Spreadsheet application featuring calculations and graphing tools, how to input and edit data;
- **Preserving the Past** – Organize and develop a personal history using the Word Program for word processing, scanning and inserting photos; *
- **iPads, iPhones** – Learn about settings, figure out what an app is and use a calendar. *
- **Mentoring** - One on One Tech Help. *

* These classes are offered periodically, based on demand.

* **All Technology classes are currently unavailable due to COVID concerns but will hopefully be available again in the near future.** *

Virtual and Telephone assistance and training options available.
