ANNUAL REPORT

2023 Highlights

TALLAHASSEE SENIOR CENTER & FOUNDATION

Together, the TSC and Foundation provide a holistic array of programs and services to approximately 23 percent of the 50+ population in Tallahassee-Leon County with the following goals: to increase socialization, improve and maintain physical and mental health, provide information and education, lifelong learning, resource assistance and other support systems to help participants achieve and maintain optimal health. The programs and services are categorized as follows: health and wellness, fitness, art, lifelong learning, recreation, crafts, arts, music and dance, cards and games, events, fundraisers, outreach, and services.

TALLAHASSEE SENIOR SERVICES MISSION

The mission of Tallahassee Senior Services is to offer programs, activities, and opportunities designed to encourage active living, optimal aging, and social fitness for independent adults age 50+. Tallahassee Senior Services is a division of the City of Tallahassee's Parks, Recreation and Neighborhood Affairs Department. A 15-member Advisory Council, appointed by the Mayor, represents seniors' interests and needs in Tallahassee. TSS is staffed and maintained by support from the City general revenue fund.

TALLAHASSEE SENIOR FOUNDATION (TSCF) PURPOSE

Established in 1980, TSCF is an independent, private non-profit organization that exists for the sole purpose of generating funding to support programs, services and participants of Tallahassee Senior Services. The Foundation, administered by a 15-member Board of Directors, is composed of members elected by the current board. Individual and organizational membership in TSCF is open to all interested persons. Visit www.TallahasseeSeniorFoundation.org for more information on events, membership, and benefits.

TSC provides essential social connections and a variety of physical and mental activities to help keep active older adults engaged and healthy.

Throughout 2023, Team Senior Center worked to refocus programs and spaces that had changed over the previous three years. We listened to you – the participants – and endeavored to respond to your interests for activities and services.

We believe, based on the numbers of people participating in classes at TSC and our Outreach sites, that we're on the right track for offering new programs and growing those "old faithful" offerings that have been here for many years.

We welcomed Coffee House Concerts in the Dining Room; more Lunch & Learns at the TSC, while numbers keep growing at the Leon County centers.

Regardless of whether you come to the TSC or one of our 15 neighborhood sites, every activity and program helps seniors be mentally, physically, and socially fit, as people connect in a supportive network of friends and professional staff.

On this journey together – with appreciation,

Executive Director, TSC Foundation
Senior Services Manager, City of Tallahassee

Sheila Salyer received the **2023 NISC Founders Award** at the National Conference on Aging for exemplary and long-standing service to the senior center field.

After retiring from my job of 30 years in Michigan, I moved to Tallahassee. The Tallahassee Senior Center has been such a blessing to me. It's really my second home.

I started attending Spanish classes before covid. After it quieted down and the center reopened, I could hardly wait to get back.

I find so many benefits to attending these. This center plays a great part in my health and wellbeing. I'm there almost every weekday now and I couldn't be happier about it!

I realize now, that in this season of my life, how important it is to take care of ME - to be able to experience some of the joys of growing older, of being healthier, of meeting new people and having less isolation. This is what The Tallahassee Senior Center is doing for me.

-Bonita S., Participant, Advisory Council Member

TSC & Foundation Staff

The Tallahassee Senior Center Staff values each individual participant, volunteer, and each other. We are dedicated to creating a warm, inviting environment where everyone feels welcome and can succeed.

This highly skilled and creative group of professionals are passionate about their programs and thrive on supporting one another and excelling in teamwork. The vision of continuous improvement and excellence is embedded in the TSC & Foundation functioning as a unit. The staff is always willing to grow and explore new ventures, and participants often propose new programs for consideration, often resulting in additional activities.

The TSC and Foundation staff looks forward to continued expansion with the development of a second senior center to be built over the next two years. Stay tuned for that exciting news. We hope to see you often at the Tallahassee Senior Center or one of our neighborhood locations.
