

# **TSC Zentangle® December 2024, 2-week workshop**

## **‘Play ’round on a Zendala’**

Offered by midori okasako, czt

**December 04 & 11 Wednesdays, 1:00 ~ 4:00pm (Optimist Park in Indianhead)**

Prerequisite: Introduction to Zentangle

**Creating on a Zendala is a lovely blend between a traditional Mandala art and Zentangle tangles (patterns). Explore the concept of ‘no up or down’, while nurturing the practice of turning the surface as you draw unique and new expressive forms with a stroke of a pen and a pencil. Simply unplug, slow down and let the calming, fun immersive Zentangle process instill gratitude and joy, as we wrap up this year.**
